

ANNOUNCEMENT

DUES

Prompt remittance of 1962 S.I.D. membership dues is essential for proper functioning of The Society and will be greatly appreciated.

Please mail checks to: Dr. Herman Beerman, Treasurer, 255 South 17th St., Philadelphia 3, Pa.

The Division of Postgraduate Medical Education, University of Wisconsin Medical School, announces a symposium on the eccrine, apocrine, and holocrine glands. The embryology, anatomy, physiology, pathology and biochemical activity will be discussed. Sture A. M. Johnson, M.D., Professor of Dermatology and Syphilology, will be program chairman, with faculty associates and invited guests, distinguished in the fields of experimental and clinical investigation, participating. The symposium is to be held May 17-19, 1962. If interested, write to the Division of Postgraduate Medical Education for further information.
